It's "Egghead Unbound" as Batman's most egg-centric foe returns to terrorize Gotham City. Frustrated by his repeated defeats at the hands of the Caped Crusader, he invents a device that will egg-celerate his brain development to that of a being from the 40th century.

BATMAN '66 MEETS THE GREEN HORNET #5

The Dynamic Duo are prisoners of General Gumm and trapped beneath a giant pasta stamp, about to be turned into Bat-spaghetti. Meanwhile, the explorer Signor Bollo is about to hit Gotham City with a crippling lawsuit for the loss of his valuable collection, and the authorities have no choice but to recruit the outlaw Green Hornet to help them recover it. Holy conundrums!
